Hi,

Here is the ID number for Flint Hills AKD000850701 just in case you need it. I'm going to assume Cheryl will take care of this issue and get back to Shirin. Its been almost a year ago, I honestly don't remember anything about the proof of payment. xy

So I asked Cheryl about finding the Flint Hills penalty payment and she suggested that Veronica Nations could check in the file and let you (and Shirin) know if it's there and probably either copy or scan it for you. I was going to send Veronica an email requesting it, but I realized that I don't know the Flint Hills ID #, which she'll need to find it...

Cheryl also said that she asked Jo to see if she could find any proof of payment in RCRAinfo, so I'm sure she'll let you know soon!
